## Taylor Wimpey Wolsey Grange 2 Application DC/21/02671 Outline Application for 750 Homes

### Dates for the Diary

The Parish Council will be holding different events for people to attend In Person or Virtually in order to update Parishioners on the above application for 750 dwellings.

This is the biggest planning application that the parish is likely to receive for the next twenty years. It will have a significant impact on the parish, doubling the size of the parish over the 5-10 years it will take to build.

Sproughton PC need to understand your thoughts on this application so we can feed these back to Babergh Planning for their consideration.

You will be able to view the application, discuss it with members of the Planning Committee, give feedback, learn how to provide your comments to Babergh Planning with the help of template letters/emails written by the Planning Committee & understand the next steps that we will be taking.
